The original article to which this retraction refers was published in “International Journal of Occupational Medicine and Environmental Health” 2005;18(3):265–74.

The following article, titled “Neurological and respiratory symptoms in shipyard welders exposed to manganese”, written by Tadeusz Hałatek, Halina Sińczuk-Walczak, Maria Szymczak and Konrad Rydzyński, published in “International Journal of Occupational Medicine and Environmental Health” in 2005, has been retracted based on the agreement between the Authors and with the approval of the Journal’s Editor. The retraction has been agreed due to the inappropriate use of the previously published work.
